*Discovering Endless Possibilities*

Team,

Orientation is the perfect opportunity for a “push” to parents to register for the Focus Parent Portal. Parents must show ID to activate their accounts, so this is a great time to catch them on campus. Please click on the links in the table below to access information for your campus to use during orientation (or any other event where parents are on campus). We have 80% of our parents signed up with accounts currently and we want to make it 100%!

Please contact [Sabrina Thomas](#) with any questions.
